

IMPORTANT SAFETY NOTICE!!!

This is a notice to inform you of your obligations as a business premises occupant.

Staff, Customers and the valued members of our public trust that their safety is guaranteed when in or around our businesses, like all Queensland businesses we are sure this is a top priority to you and/or your organisation alike.

We would like to work with you to keep everybody safe, we want to keep you updated with the most up to date information available and ensure that you are getting the best support, quality of service and advice.

EVACUATION PLANNING

As of 2008 ALL businesses occupying a site either leased or owned MUST have a detailed Evacuation Plan and Procedure displayed in their operation. Penalties of \$5000 exist where non compliance is found.

Call us today to have your plan and procedure drafted, there is mandatory criteria that we will ensure your business complies to when you work with us.

ELECTRICAL TEST & TAG

ALL Electrical Equipment on business sites must be regularly tested by professionals, The frequency is different for types of equipment in different environments and it needs to be kept up to date at all times.

We can come in and test, tag, keep all records and inform you when re-testing is required. It's a load off your mind!

To arrange inspection, testing or drafting of plans please contact us asap, for general advice, support and consultancy we are here 24/7, all work can be completed at a time of your choosing, after hours and weekends are ok*
